

## SOMPO INTERNATIONAL

Sompo International Holdings Ltd. (Sompo International) is a specialty provider of property and casualty insurance and reinsurance, established in March 2017 as the result of the acquisition of Endurance Specialty Holdings Ltd. by Sompo Holdings Ltd. (Sompo).

Sompo's core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market. In addition, Sompo is engaged in the provision of insurance services as well as other related services through its global network of businesses operating in 32 countries around the world.

Sompo International is the international operation and a wholly owned subsidiary of Sompo, which trades on the Tokyo Stock Exchange. Through our operating subsidiaries, Sompo International underwrites agriculture, professional lines, property, marine and energy, and casualty and other specialty lines of insurance and catastrophe, property, casualty, professional lines, weather risk and specialty lines of reinsurance.

As a leading global provider of insurance and reinsurance, we recognize that our success is derived directly from those who matter most: our people. Sompo International's headquarters is in Bermuda and we currently have offices in the United States, the United Kingdom, Continental Europe, and Asia. At Sompo International, a shared commitment to integrity, teamwork, agility, execution, and excellence define our culture, and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.

The **Vice President, Actuary** position is an integral component of Sompo International's Reinsurance Pricing team, partnering with the reinsurance underwriters to price reinsurance treaty and fac business for the Global Casualty unit. The position reports to the SVP & Chief Pricing Actuary, North America Reinsurance and will be located in New York City.

### **Responsibilities include:**

- Transactional analysis, including pricing and risk assessment of incoming submissions for each business unit
- Designing, building, and refining actuarial models
- Communicating pricing results with underwriters and resolving data issues with clients
- Identifies trends and is able to make adjustments to models and assumptions to evaluate emerging issues
- Supporting underwriters in attending and participating in internal and external broker and client meetings

### **Desired Skills & Experience**

- Equivalent degree and achievement with ACAS (FCAS preferred).
- Ten to Fifteen years of experience. At least five to seven years of pricing experience required with at least three years of reinsurance pricing experience preferred and experience Standard Casualty and/or Professional Liability pricing experience.

## SOMPO INTERNATIONAL
