INSURANCE

London Market Insurance

Sompo International's London platform works through our broad distribution network outside of North America to offer multi-line capabilities and exceptional financial strength to accounts around the globe. We seek business partners who, like ourselves, value committed long-term relationships with a focus on the following lines of business:

- Accident & Health
- Aerospace
- Casualty
- Energy
- Financial Institutions
- Management Liability
- Marine
- Political & Financial Risk
- Professional Indemnity
- Property

Within each of these product areas, we pride ourselves on truly understanding our clients' risk exposures, tailoring risk management solutions and providing responsive and skilled claims handling.

London Market Energy

Our London Market Energy team offers an integrated approach to underwriting exposures across all aspects of the energy chain. With years of experience, our dedicated team is an approachable and trusted partner in providing solutions to intermediaries and clients.

At Sompo International Insurance, our approach is to build long-term relationships with our clients. We offer stable and competitive terms throughout the market cycle, backed by the exceptional financial strength of Sompo's balance sheet. We pride ourselves on offering superior service, both in responding to underwriting submissions and in paying valid claims promptly.

Working with our colleagues internationally, we can also incorporate weather derivatives, excess casualty, cargo, accident and health, political risk and professional lines products to develop programmes tailored to specific needs.

TARGET CLASSES

We offer coverage to clients ranging from independents to multinational companies with a focus on:

- Upstream: Contractors, Exploration and Production companies, during operation and while under construction
- Mid and Downstream: Refiners, Petrochemical, Gas Processing, Storage and Distribution companies during operation
- Power: Electricity Generating companies during operation
- Renewables: Wind and Solar companies including offshore wind-farms under construction and during operation

COVERAGE FEATURES

- Meaningful capacity across Risk and Natural Catastrophe
- Monoline to Composite
- Worldwide coverage
- Prompt turnaround by an empowered underwriting team

About Sompo International

The Sompo International companies are wholly owned subsidiaries of Sompo Holdings, Inc. (Sompo), whose core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market. Sompo International is a global specialty provider of property and casualty insurance and reinsurance. Sompo International underwrites agriculture, professional lines, property, marine and energy, and casualty and other specialty lines of insurance and catastrophe, property, casualty, professional lines and specialty lines of reinsurance.

Our Financial Strength

Sompo International's operating subsidiaries have balance sheets comprising high quality assets and excellent liquidity. We maintain ratings of A+ (Superior) from A.M. Best (XV size category) and A (Strong) from Standard & Poor's. In addition, we are backed by the financial strength of Sompo Japan Nipponkoa Insurance Inc., which holds more than \$67 billion in total assets and has A+ financial strength ratings from both A.M. Best and Standard & Poor's.

Our Specialty Focus

With a strong commitment to the specialty markets, each of our teams is led and staffed by experienced underwriters with deep expertise in the class or line of business in which they specialize. It is this focus and dedication that enables us to anticipate and manage our clients' risks, delivering tailored solutions to address their unique exposures.

Our clients know they can count on us to provide responsive and consistently high quality underwriting, actuarial, legal and claims services, today and as their businesses evolve.
