

ENDURANCE RE

Endurance Re underwrites property, catastrophe, casualty, professional lines and specialty lines of reinsurance including marine and energy, surety, trade credit, aviation and space, engineering, agriculture, and weather risk. Our account management approach enables us to offer a broad multi-line capability to underwrite risks across our clients' insurance portfolios, supported by proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals.

CASUALTY

Endurance Re's Casualty team underwrites reinsurance of both primary and excess business globally and writes on both a proportional and excess of loss basis. We service a broad array of coverage segments including general liability, umbrella, environmental liability, automobile liability and other specialty lines of business.

Our team has industry-specific expertise across many areas of casualty insurance, allowing us to better understand the challenges facing our clients. This insight provides a more comprehensive view of the risks we assume, helping our clients achieve their business goals.

We seek to lead programs and can provide significant capacity, working closely with reinsurance brokers to structure and support programs that suit our clients' needs. We focus on companies with a high level of underwriting knowledge and expertise, deep technical pricing capabilities and a strong commitment to claims management.
