

ENDURANCE RE

Endurance Re underwrites property, catastrophe, casualty, professional lines and specialty lines of reinsurance including marine and energy, surety, trade credit, aviation and space, engineering, agriculture, and weather risk. Our account management approach enables us to offer a broad multi-line capability to underwrite risks across our clients' insurance portfolios, supported by proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals.

MARINE & ENERGY

Endurance Re's seasoned Marine & Energy underwriters offer traditional and specialized reinsurance products with a focus on hull, cargo, liability, offshore energy and other specialized marine lines. We forge long term partnerships through a deep understanding of our clients' needs and working together, provide tailored solutions. We have built a reputation for exceeding expectations based on quick and efficient delivery and the settlement of claims in a timely fashion.

Products include both proportional and non-proportional programs.

COVERAGE FEATURES

TARGET CLASSES

Endurance Re primarily seeks to work with marine and energy insurers with whom we have an existing relationship or a material developing relationship within the context of our account management strategy. In addition, we selectively consider business on a mono-line basis. Our underwriting teams work with brokers and clients worldwide, seeking partnerships with clients who have a proven track record with effective business processes driving their underwriting, pricing, risk management and claims activities.

OUR GLOBAL SPECIALTY REINSURANCE TEAM ALSO WRITES:

- Agriculture
- Aviation & Space
- Contract & Commercial Surety
- Personal Accident
- Structured & Finance
