

ENDURANCE RE

Endurance Re underwrites property, catastrophe, casualty, professional lines and specialty lines of reinsurance including marine and energy, surety, trade credit, aviation and space, engineering, agriculture, and weather risk. Our account management approach enables us to offer a broad multi-line capability to underwrite risks across our clients' insurance portfolios, supported by proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals.

PROFESSIONAL LIABILITY

Endurance Re's Professional Liability products include directors' and officers' liability and related products, medical malpractice liability, and many classes of errors' and omissions' coverage. Programs are written on either an excess of loss or a proportional basis.

At Endurance Re, customer differentiation is an integral component of our underwriting process. We seek partners with sound management practices and strategies as well as effective business processes driving their underwriting, pricing, risk management and claims activities.

We offer significant capacity and look to lead programs or secure an influential position, working closely with our brokers to structure and support reinsurance programs that optimally suit our clients' needs.
