

## ENDURANCE RE

Endurance Re underwrites property, catastrophe, casualty, professional lines and specialty lines of reinsurance including marine and energy, surety, trade credit, aviation and space, engineering, agriculture, and weather risk. Our account management approach enables us to offer a broad multi-line capability to underwrite risks across our clients' insurance portfolios, supported by proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals.

## PROPERTY

Endurance Re protects a broad spectrum of property risks worldwide, primarily for physical damage and time element exposure, ranging from personal lines and light commercial risks to heavier commercial and industrial portfolios. Property risks include buildings, structures, equipment, business interruption and contents that are insured by primary carriers.

We endeavor to gain the best understanding of our clients' businesses, and our analysis is driven by high quality underwriting and statistical data, including comprehensive catastrophe modeling information when covered.

## COVERAGE FEATURES

### TARGET CLASSES

In the U.S., we target domestic insurance companies including incidental foreign operations of U.S.- domiciled companies as well as U.S. based regional/specialty companies with a high level of underwriting expertise and strong claims management.

Our international business focuses on clients ranging from small, single-country writers to large global carriers. We work with clients who have strong balance sheets, demonstrated market expertise, a clear catastrophe management strategy and the ability to provide comprehensive exposure data.

### PRODUCTS

Endurance Re provides both excess of loss and pro rata protection, with significant capacity available.
