

ENDURANCE RE

Endurance Re underwrites property, catastrophe, casualty, professional lines and specialty lines of reinsurance including marine and energy, surety, trade credit, aviation and space, engineering, agriculture, and weather risk. Our account management approach enables us to offer a broad multi-line capability to underwrite risks across our clients' insurance portfolios, supported by proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals.

WORKERS' COMPENSATION CATASTROPHE

Endurance Re has offered workers' compensation catastrophe and other specialty reinsurance products on a worldwide basis since 2002.

We seek to establish long-term relationships with ceding company reinsurance buyers and their brokers. Our focus on product expertise, detailed analysis, specialized industry knowledge along with strong claims management enables us to provide our clients with customized risk management solutions. We offer quoting and lead terms with the intent of participating in a lead position per program and can provide significant capacity.

Products include low frequency, high severity, excess of loss treaty reinsurance.
