REINSURANCE

## Sompo International Reinsurance

Sompo International Reinsurance underwrites casualty, catastrophe, professional lines, property and specialty lines of reinsurance including agriculture, aviation and space, engineering, marine and energy, surety, trade credit and weather risk. Our account management approach and exceptional financial strength enable us to offer a broad multiline capability to underwrite risks across our clients' insurance portfolios around the globe. We are supported by proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals.

## Regional/Multiline

Sompo International's Regional/Multiline team has been a consistent and meaningful reinsurance market for U.S. regional companies for more than a decade.

- **Regional In-Force Reinsurance Premium of \$250M**  
Sompo International provides stable capacity and material participations (multiline and catastrophe) for regional companies in the U.S.
- **Long Term Regional Reinsurance Relationships**  
Many of our regional clients have been with us for 10 years and we continue to build new regional reinsurance relationships.
- **Underwriters Averaging 20 Years of Experience**  
Experience matters, and Sompo International's underwriting teams have focused backgrounds in regional multiline and catastrophe reinsurance.
- **Committed Claims Service**  
Since our inception\*, we have paid \$1.4B in regional multiline and catastrophe reinsurance claims.
- **We Understand Regional Business**  
Sompo International works with regional insurers that write both personal lines and main street commercial risks. With a solid understanding of the needs and challenges faced by regional insurers, we deliver customized solutions to our valued clients.
