

Sompo International is the trade name for the global specialty property and casualty insurance and reinsurance operations of Sompo Holdings, Inc. (“Sompo”), established in March 2017 as the result of Sompo’s acquisition of Endurance Specialty Holdings Ltd.

Sompo is a financial services holding company organized under the laws of Japan whose shares are listed and posted for trading on the Tokyo Stock Exchange. Sompo, through various operating subsidiaries, is one of the top three insurers in Japan and is engaged in the provision of insurance services as well as other related services through its global network of businesses operating in 32 countries around the world.

Sompo International is the international operation of Sompo and, through its operating subsidiaries, writes agriculture, casualty and other specialty, professional lines, property, marine/energy and aviation lines of insurance and catastrophe, property, casualty, professional lines and specialty lines of reinsurance.

As a leading global provider of insurance and reinsurance, we recognize that our success is derived directly from those whose contributions matter most: our people. Sompo International’s headquarters is in Bermuda and we currently have offices in the United States, the United Kingdom, Continental Europe, and Asia. A shared commitment to integrity, accountability, collaboration and agility define our culture, and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.

We are seeking college students for our **2018 IT Summer Internship Program**. The 10 week intern program will take place at the Endurance offices located in **New York City** and **Purchase, NY**. Our intern program offers students challenging opportunities to work on technology and projects that matter to our evolving organization.

Intern Program participants will have an excellent opportunity to gain hands-on experience, receive valuable on-the-job training and learn more about the insurance industry. Each intern will participate in structured learning and networking events with peers, members of our Executive team and outside brokerage firms
