

Surety

With a seasoned underwriting team, Sompo International Reinsurance's Surety business line offers proportional and excess of loss treaty programs on a worldwide basis. Our team also offers facultative surety programs (except in the U.S. and Canada).

We offer significant capacity covering the following product lines:

- Contract Surety
- Commercial Surety
- Fidelity – Financial Institution and Commercial (U.S. only)

Our focus is on accounts in the U.S., Europe, Asia-Pacific and Latin American markets.

We seek long-term relationships where our value added services are seen as an enhancement to our clients' business.
