

Are you looking for your next opportunity?

Sompo has a unique opportunity for a **Casualty Underwriter** in our **Casualty** team in our **UK Commercial Lines** business.

Our Commercial Lines UK Casualty Team specializes in underwriting for large corporate entities, offering customized solutions tailored to meet the intricate and global aspects of these companies. Our collaboration with Retail Brokers is integral, as they possess the necessary skills and capacity to assist our clients effectively. We have a wide-ranging interest in various industries, with our underwriting strategy centering on the quality and performance of the organizations themselves, rather than the specific sectors they function in.

Location: This position will be based out of our **London** office. We strive for collaboration which is why we offer a work environment where our employees thrive and develop long lasting careers.

Our business, your impact, our opportunity:

What you'll be doing:

- Underwrites all accounts in accordance with Underwriting Guidelines and individual authority granted by management.
- Focus on Renewal Retention and New Business production in a growing profitable GL and UK EL portfolio.
- Production, the ability to work with key Brokers and develop Books of Business.
- Monitors Industry and specific Account trends.
- Implements an Underwriting Service reputation that is recognized as superior in the Industry.
- Develop and maintain engagement plans with Brokers as appointed including management of relationships in terms of analysis, meetings and entertainment.
- Creates and utilizes marketing materials and other product collateral to support marketing and production initiatives.
- Provide technical input in Product Development.
- Provide input and feedback at the weekly Underwriting meetings.
- Support the Multinational Unit with implementing Accounts underwritten with the Broader UK Casualty Team
- Respond to general mid-term questions from Brokers and/or internal stakeholders in a timely and professional manner, delivering a first-class service and within authority parameters
- Interact with Brokers and other external parties including third party business providers, including the maintenance and development of good working relationships.
- Contribute towards Underwriting services projects relating to the improvement of existing services
- Maintain timely and accurate risk, exposure and premium accounting in the company's policy administration and documentation management systems

What you'll bring:

- Proven Underwriting experience, minimum of 3 to 5 years.
- Prior experience of Underwriting Large Corporate Account within a larger portfolio of Clients.
- Multinational capabilities with extensive knowledge and experience.
- Able to work independently under their own initiative and as a part of a team.
- Strong interpersonal and communication skills - articulate and influential.
- Attention to detail with the ability to organise efficiently.
- Problem solving and decision making abilities.
- Strong analytical abilities with excellent logic and critical thinking skills.
- Excellent written and oral communication skills along with exceptional interpersonal tributes with the ability to work with a team oriented approach.
- Ability to work effectively in a fast-paced environment.

- Strong time management skills.
- Strong administration and operational skills.
- Ability to organise efficiently.
- Strong work ethic with an ability to operate effectively under pressure
- Flexible approach and ability to recognise and adapt to changing business requirements
- Proficient in the use of MS Office (Excel, Word, PowerPoint and Outlook);
- Confident and self-driven and enjoy working to deadlines and targets
- A team player with a passion for Casualty insurance business!
