Credit Controller

Sompo International Holdings Ltd. (Sompo International) is a specialty provider of property and casualty insurance and reinsurance, established in March 2017 as the result of the acquisition of Endurance Specialty Holdings Ltd. by Sompo Holdings Ltd. (Sompo).

Sompo's core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market. In addition, Sompo is engaged in the provision of insurance services as well as other related services through its global network of businesses operating in 32 countries around the world.

Sompo International is the international operation and a wholly owned subsidiary of Sompo, which trades on the Tokyo Stock Exchange. Through our operating subsidiaries, Sompo International underwrites agriculture, professional lines, property, marine and energy, and casualty and other specialty lines of insurance and catastrophe, property, casualty, professional lines, weather risk and specialty lines of reinsurance.

As a leading global provider of insurance and reinsurance, we recognize that our success is derived directly from those who matter most: our people. Sompo International's headquarters is in Bermuda and we currently have offices in the United States, the United Kingdom, Continental Europe, and Asia. At Sompo International, a shared commitment to integrity, teamwork, agility, execution, and excellence define our culture, and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.

We are seeking a **Credit Controller** to join our team in the London office. The newly created role is located in the Finance Department which involves various activities for our Lloyds' syndicate and company market.

The Credit Control team is a key component of our International Insurance Division and works closely with Lloyds, brokers, cedants, externally as well as the finance, underwriting, underwriting operations, Information Technology and claims teams internally. Driven for a collaborative resolution to cash and credit control challenges to maintain superior customer service and profitability for the organisation.

We are looking for an enthusiastic person who takes pride of high quality output and brings added value to the team.

You will carry out a highly effective collection activity in a professional manner and in accordance with agreed processes, procedures and meet our service level agreements and SOX Controls. The job involves working with different areas of the business so collaborative and innovative solutions are a prerequisite for this role. You will be liaising with various underwriters and the Underwriting Operation Team. You will have the opportunity to discuss queries and delinquency with underwriters and contribute to the aged debt analysis for your portfolio.

You will be part of a team that will help the Finance Department achieve its objectives in line with the Finance Leadership Strategy.
