

## **Are you looking for your next opportunity?**

Sompo has a unique opportunity for a **Delegated Underwriting Technical Partner** in our **Delegated Underwriting** team in our Insurance Operations function.

The Delegated Underwriting function at Sompo involves various activities across our company platform. The fundamental mission is to support the onboarding due diligence and ongoing management of Delegated Authority (DA) facilities across Sompo platforms (EWIL & SIIE), ensuring business has been processed in compliance with regulatory minimum standards for Delegated Authorities, and our Delegated Authorities Processes and Procedures.

In order to deliver our strategy, you will need to be continually flexible and adaptable to change. Accuracy, strong attention to detail, efficiency and strong communication skills is essential to all that we do and this team is critical in driving change at Sompo. This role will involve regular liaison within the function, especially the DU Audit team, as well as Underwriting, Claims, Compliance and 3rd parties such as MGA's and Auditors. The role will also involve occasional travel to our network of European offices to support our growth plans.

**Location:** This position will be based out of our **London** office. We strive for collaboration which is why we offer a work environment where our employees thrive and develop long lasting careers.

### **Our business, your impact, our opportunity:**

#### **What you'll be doing:**

- Execute the Sompo DA Processes & Procedures focusing on MGA & TPA Onboarding, coordinating and engaging with other stakeholders across the business and delivering end to end reviews of new and renewing agreements.
- Trusted point of contact for all Delegated related queries from both within the team and between stakeholders.
- Support the implementation of the broader DA framework for Sompo International
- Work with the Sompo Compliance, Legal and Wordings teams to ensure adherence to the regulatory and compliance processes.
- Ad hoc tasks as directed by Line manager.

#### **What you'll bring:**

- Strong technical experience in delegated authority business, preferably working in an Insurance Company or Lloyd's Syndicate in a role with responsibility for Delegated Authority Management, Risk or Internal Audit.
- At least 3 years' experience in insurance, working with MGA's or TPA's in a Risk, Internal Audit or Delegated Authority perspective.
- Demonstrate the ability to build rapport and trust with immediate team members and members of the wider organisation as well as all existing and potential MGA's and TPA's.
- Strong Organisational Skills & Prioritisation – ability to deliver on tasks and meet deadlines.
- Attention to detail, excellent due diligence and investigative skills.

#### **Our Benefits**

We continuously evaluate and update our benefit programs to ensure that our plans meet the needs of our employees and their dependents. Below are a few highlights of our inclusive benefit programs:

- Expansive Health & Wellness Benefits
- Generous Retirement & Savings Plans
- Global Parental Leave & Adoption Assistance

## **In today's world, what do we stand for?**

We strive to create exceptional value for our clients and shareholders while maintaining Sompo as an attractive place to work. We foster an environment of ongoing, open dialogue between managers and their direct reports, and believe in an organizational environment where everyone belongs. We proudly are a multi-racial, multi-cultural, global enterprise. We reject all forms of racism, bigotry, prejudice and injustice and continue to invest in building out an inclusive and diverse work environment.
