

Are you looking for your next opportunity?

Sompo has a unique opportunity for an **Energy Exposure Analyst** in our **Energy** team in our Underwriting business.

Our London based team underwrites complex and diverse risks across the globe in a pragmatic and consistent way and looks to forge long-term and sustainable partnerships. Backed by Sompo International's exceptional financial strength, we offer significant capacity, with a dedicated risk engineering, energy claims handling capability and underwrite business through our company platforms in the UK and Continental Europe.

Location: This position will be based out of our **London** office. We strive for collaboration which is why we offer a work environment where our employees thrive and develop long lasting careers.

Our business, your impact, our opportunity:

What you'll be doing:

- Ensuring the accurate and timely capture of Upstream Energy exposures into our aggregation system (ExposureHub).
- Produce monthly aggregate and modeling reports to support underwriting and governance processes.
- Conduct portfolio analysis, including generating internal reports.
- Assist in preparing Reinsurance Submissions, including running RDS reports and presenting findings to senior analysts.
- Provide support for catastrophe modeling (using RMS) with a focus on Gulf of Mexico wind exposures.
- Collaborate with underwriting support functions such as Claims, Risk, and Compliance.
- Support the Underwriting team in managing the Energy book; occasionally assist with other lines of business-like Aviation and Marine.
- Prepare and analyse data for underwriting, including account pricing, overviews, and account performance.

What you'll bring:

- A degree in a numerate or scientific discipline.
- Strong analytical abilities with exceptional attention to detail.
- Excellent communication and teamwork skills.
- Intermediate proficiency in Microsoft Excel.
- Experience with catastrophe modeling (e.g., RMS) is advantageous but not essential.
- Familiarity with ExposureHub software is beneficial but not mandatory (training provided).
- Prior experience in the insurance industry is a plus but not required.
- Power BI and programming language including SQL, Python, R desirables.

Our Benefits

We continuously evaluate and update our benefit programs to ensure that our plans meet the needs of our employees and their dependents. Below are a few highlights of our inclusive benefit programs:

- Expansive Health & Wellness Benefits
- Generous Retirement & Savings Plans
- Global Parental Leave & Adoption Assistance

In today's world, what do we stand for?

We strive to create exceptional value for our clients and shareholders while maintaining Sompo as an attractive place to work. We foster an environment of ongoing, open dialogue between managers and their direct reports, and believe in an organizational environment where everyone belongs. We proudly are a multi-racial, multi-cultural, global enterprise. We reject all forms of racism, bigotry, prejudice and injustice and continue to invest in building out an inclusive and diverse work environment.
