

Excess Casualty E&S Transportation

The Transportation group is a specialized unit that underwrites Excess Liability (minimum \$1M attachment) for accounts with significant auto liability exposure. Niches we cover include auto buffers/carve-outs, trucking, hauling, delivery, distribution, bus/van, etc.

Targeted Transportation Classes of Business

- Trucking Operations
- Auto Buffers (Contractors, Sales, Service, and other large fleets)
- General transportation/hauling (Fuel hauling, Moving & Storage, Garbage hauling, Oilfield hauling, Sand & Gravel, Redi-Mix, Agricultural hauling, Building Materials hauling)
- Bus & Van Operations (Charter, Transit, School, Shuttle)

Limits and Attachment

- We offer up to \$2,000,000 capacity within the lead 10M layer.
- We offer up to \$5,000,000 capacity in layers excess of the lead 10,000,000 layer.
- Minimum underlying requirements: AL 1M CSL, GL 1/2/1 (incidental exposure only), EL – 500/500/500

Fleet Size, Commission Amount and Minimum Premiums

- Trucking and large fleet up to 1500 units for placements within lead 10M.
- No fleet size restrictions on high excess placements.
- Commission up to 17.5%.
- Minimum Premiums: \$50K for 1M limit, \$75K for 2M limit, \$100K for 5M limit.
