

REINSURANCE

SompoRe Marine & Energy

Sompo's Marine & Energy underwriters offer traditional and specialized treaty reinsurance products with a focus on hull, cargo, liability, upstream energy, downstream energy, renewable energy and other specialized marine lines.

We forge long term partnerships through a deep understanding of our clients' needs and work closely with them to provide tailored solutions. We have built a reputation for exceeding expectations based on quick and efficient delivery and the settlement of claims in a timely fashion. Products include both proportional and non-proportional treaty reinsurance programs.

Our Marine & Energy Reinsurance team primarily seeks to work with marine and energy insurers with whom we have an existing relationship or a material developing relationship within the context of our account management strategy. In addition, we consider business on a mono-line basis. Our underwriting teams work with brokers and clients worldwide, seeking partnerships with clients who have a proven track record with effective business processes driving their underwriting, pricing, risk management and claims activities.

What you can expect from our team:

- Trusted and fair-trading partner
- Proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals
- Experienced and approachable executive management team
- Strong focus on original conditions, rate adequacy and limit management
- An integrated account management approach and exceptional financial strength
