

REINSURANCE

SompoRe Professional Liability

With dedicated professional lines underwriters located in key markets worldwide, we support both excess of loss and proportional reinsurance programs across a full spectrum of professional lines products including directors and officers liability and related products, all lines of professional indemnity, medical malpractice liability, and many classes of errors and omissions coverage.

Our Professional Liability team's approach is built on customer differentiation as an integral component of our underwriting process. We seek partners with sound management practices and strategies as well as effective business processes driving their underwriting, pricing, risk management and claims activities.

We offer significant capacity and look to lead programs or secure an influential position, working closely with our brokers to structure and support reinsurance programs that optimally suit our clients' needs.

What you can expect from our team:

- Trusted and fair-trading partner
- Proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals
- Experienced and approachable executive management team
- Strong focus on original conditions, rate adequacy and limit management
- An integrated account management approach and exceptional financial strength
