

REINSURANCE

SompoRe Workers' Compensation Catastrophe

Our Worker's Compensation Catastrophe products focus on Low Frequency, High Severity, and Excess of Loss Treaty reinsurance.

We seek to establish long-term relationships with ceding company reinsurance buyers and their brokers. Our focus on product expertise, detailed analysis, and specialized industry knowledge along with strong claims management enables us to provide our clients with customized risk management solutions. We offer quoting and lead terms with the intent of participating across programs with meaningful capacity.

Our reinsurance team has offered workers' compensation catastrophe and other specialty reinsurance products on a worldwide basis since 2002.

Target classes

- Cedants that have strong financials, sophisticated actuarial capabilities, the ability to monitor and react to shifts in pricing and coverage, experienced claims management and which keep substantial net retentions
- Regional, super-regional and specialty carriers or divisions
- National accounts
- State workers' compensation funds

What you can expect from our team:

- Trusted and fair-trading partner
- Proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals
- Experienced and approachable executive management team
- Strong focus on original conditions, rate adequacy and limit management
- An integrated account management approach and exceptional financial strength

You should be talking to us...
