

Expert partners. Unwavering commitment. Reliable outcomes.

Global insurance solutions expertly designed for you.

Comprised of expert underwriters, actuaries, risk control specialists and claims professionals, the Somo team has deep expertise in their specialized classes or lines of business to serve clients ranging from small businesses to multinationals through our North America, United Kingdom, Continental Europe, Latin America, Middle East, Africa and Asia Pacific platforms.

Navigate uncertainty with reliable risk solutions.

Businesses are constantly evolving and so are their risk management needs. The Somo North American insurance platform allows organizations to meet current demands while anticipating future requirements. Our sophisticated risk management practices deliver tailored solutions to empower clients' success.

Global expansion

We're constantly growing our geographic footprint to support you. Our new regional structure allows us to distill down our expansive global knowledge to local markets, with experts specific to your region, specialized class and line of business. Our local expertise allows us to leverage our expansive underwriting acumen, vast market knowledge, broad appetite and renowned customer service.

Streamlined solutions

Somo simplifies processes, raises the bar and streamlines claims. We understand that your needs are complex and nuanced. We take a big picture perspective and use our experience to clearly define what matters the most to you. Each of our teams is led and staffed by experienced underwriters and claims professionals with a depth of experience in the class or line of business in which they specialize. It is this focus and dedication that enables us to manage our clients' risks, delivering tailored solutions to address their unique exposures.

Multinational

Our dedicated Multinational team offers companies with business operations in multiple countries an industry-leading platform for managing risk. Leveraging licensing capabilities from Somo companies around the world and a growing network of third-party partners, we offer a convenient, consistent approach to accessing global coverage that is compliant with local regulations in 150 countries.

Risk control

With deep industry expertise entrenched across products and geographies, we lead with plan-based business strategies that assess and prepare clients for any dangers, hazards, or other potentials for disaster — physical or otherwise — that can impact their operations, reputation or financial stability.

Our claims commitment

We empower our experienced and dedicated claims professionals to be an integral part of the underwriting and risk control process. As we focus on expansion and sustainable growth, providing excellent customer service remains at the center of everything we do. We are committed to delivering fair and appropriate outcomes for our customers; efficient service, timely responses and fast payment of covered claims; and value-added expertise from product and industry specialists.
