

UNITED STATES

Construction: Excess Casualty - Retail

A Customized Approach

Sompo offers a broad and holistic approach to your construction needs. The U.S. Excess Casualty Retail team partners with national retail brokers to write coverage for the middle-market through national accounts space. Our experienced underwriters assist clients across the U.S. by providing risk solutions effectively and responsively.

Target Classes

- General Contractors
- Commercial Trade Contractors
- Project policies including, but not limited to Hospitals, Higher Education, Data Centers, Distribution Centers, Industrial, Transit and Manufacturing plants.

Underwriting Capabilities

- Lead & Excess Layers
(Participate in the first \$125M)
- Admitted and Non-Admitted Capability
- Variety of endorsements to tailor coverage
- Maximum Capacity \$15,000,000
- Limits deployed will depend on the risk and attachment

In addition to Excess Liability, Sompo's U.S. Insurance team offers a broad range of coverages to meet the risk management needs of the construction industry, including:

- Contractors Equipment
- Environmental
- A&E
- Surety
- Inland Marine
- Engineered Risk
- Primary GL

Claims Capabilities

- In-house claims professionals with extensive experience in handling excess casualty claims who work in close partnerships with our underwriters
- Responsive claims handling and real-time risk analytics assist in portfolio management
- Our claims professionals are leaders in their field who actively contribute to industry associations such as CLM, DRI, IACP and RIMS to help them stay close to the trends affecting the industry.
