

Side-A Directors & Officers Liability For AEGIS Members

Sompo International Insurance's U.S. Commercial Management Liability Practice offers lead and excess Side-A DIC Directors & Officers (D&O) liability insurance in conjunction with AEGIS (Associated Electric & Gas Insurance Services Limited).

Offering protection to directors, officers, and other insured persons, this lead and excess Side-A DIC D&O liability insurance is unique to utilities and companies operating in related energy industries that are or expect to become AEGIS members.

SIGNIFICANT CAPACITY

- Up to \$30M for both lead and excess Side-A DIC coverage
- Limits are in addition to existing AEGIS D&O ABC coverage
- No deductible in most cases

Exclusive Benefits for Aegis Members

ENERGY PREMIER ENDORSEMENT

- Bespoke coverage tailored to meet the specific needs of energy companies and utilities
- Protection for claims resulting from regulatory actions and violations
- Non-officer employees covered as Clean Air Act representatives
- Crisis and Reputation Management coverage

CONTINUITY CREDITS

AEGIS D&O members who purchase a lead or excess Side-A D&O Policy from Sompo International are entitled to the additional benefit of increased participation in the AEGIS D&O continuity credit program. The continuity credit distribution amount is declared annually by the AEGIS Board of Directors. Since AEGIS participates as a reinsurer under the Sompo Side-A D&O Program, any premium paid to AEGIS for such reinsurance applies toward that member's distribution calculation. Continuity credits are only available to eligible members renewing coverage with AEGIS and are subject to certain restrictions.

EXPERT CLAIMS HANDLING

- Dedicated claims professionals who are seasoned attorneys with extensive D&O and industry experience as both private practitioners and insurance claims professionals
- All claims handled independently of AEGIS

UNDERWRITING CAPABILITY

- Underwriting team has extensive experience working with utilities and companies operating in related energy industries
- Flexible attachment points based on specific risks
- Admitted paper in nearly every state plus the District of Columbia
- State-of-the-art policy forms
